

To celebrate Furze Platt Senior School's 50th Anniversary we are launching our 'Be a Part of It' scheme to help us further improve our sporting facilities.

We want to refurbish our gym, remodel our changing rooms, we need a training room and eventually an all-weather pitch. You can help us achieve these goals.

We plan to include a block paved area in front of our new Mathematics building which will be constructed during the summer holidays. You can adopt one of the brick blocks and have it engraved with a name and a year.

This opportunity is open to any student, governor or staff member —past or present.

Each block is being offered at £30.

Taking part will create a lasting record of your child's or your own association with Furze Platt. The profit from the scheme will help make significant improvements to the sporting opportunities for current and future students.

Each paving block can have 2 lines of inscription in gold lettering. We recommend that as well as the name, you include the year in which the person began their association with the school.

This scheme will run until **20th July 2013**; this is the final date by which we must submit our order.

So please act now and complete the order form opposite. Don't just feel a part of Furze Platt, now you can really "Be a Part of It".

I want to 'Be a Part of It.'

Please complete this form in full, including your inscription.

There is no need to centre your text as the engraving process does this automatically.

If the name fits on only one line we encourage you to include the year in which the person joined or became associated with Furze Platt on the second line.

Please return to the reception with payment in an envelope marked "Be a Part of It".
